
Build Your City

Material:

- ◆ Build Your City Board (one per student)
- ◆ Build Your City Cards

Directions:

1. Each player gets a Build Your City Board.
2. Shuffle the Build Your City Cards and place facedown as a draw pile.
3. Players take turns drawing a card and identifying what fraction of the whole is shown. If the corresponding spot on their board is vacant and needs a building, the card is placed as the building in that spot.
4. If the card drawn is not needed, it is discarded.
5. The first player to get all the buildings of their city built, wins.
